COURSE NAME: Integrated Learning: Life Skills

Course Location: Daws

Pathway:

This course is designed to enable students to develop general independent living and communication skills based on individual needs.

Program Description:

Life Skills will help students develop the ability to look after themselves physically and emotionally. Explicit teaching of social skills to understand the relationship between actions and consequences, and good decision making is a focus. Topics include: health and hygiene, personal safety, nutrition, relationships education, transport and money handling.

SACE Credits: 20

Stage 1
