COURSE NAME: Workplace Practices
Course Location: Prospect

Pathway:

This course is designed to support knowledge, skills and experience in work skills required for post school options.

Program Description:

Students will gain or reinforce a range of employability skills. They will complete a minimum of 50 to 60 hours of work related experiences connected to a range of community learning activities. These may include structured work placements, volunteer, part time work or other placements. A barista experience through training and application of skills will assist them to complete performance, reflection, knowledge and investigation aspects of the course. Students undertaking work experience complete a minimum 5 hours of Work Health Safety training prior to commencing work experience.

SACE Credits: 20 Stage 2 Semester(s): Full Year

Delivery Day: Mondays

Time: 9.30am – 2.30pm Program commencement date: Week 2, Term 1 2020

Special Requirements:
Neat casual dress, comfortable walking shoes, sun protection, basic stationery items as requested by the teacher. By negotiation there may be a dress code for students participating in a group experience that may include a café day. LearnLink details are essential so students can gain access to the internet.

Course Costs: Pre-loaded Metro Card for public transport travel, any low cost entrance fees will be negotiated ahead of time.
