COURSE NAME: Integrated Learning: Driver Education

Course Location: Daws

Pathway:

This course is for students who have a goal of gaining their Learner’s Permit to increase employability skills. It is suited to students who are interested in increasing independence and confidence as a safe and responsible road user.

Program Description:

This course is designed to provide students aged 16 or above with an introduction to driver and vehicle awareness training. This includes road rules and regulations, understanding traffic patterns and weather conditions. Eligible students may complete all required testing in line with Service SA. This course is differentiated so that students can progress at their own pace towards the ultimate goal of gaining a SA Learner’s Permit!

SACE Credits: 10  Stage 1  Semester(s): Semester 1, repeated Semester 2

Delivery Day: Mondays

Time: 9.30am – 2:30pm  Program commencement date: Week 2, Term 1 2020

Special Requirements: LearnLink details are essential to access the Internet.

Course Costs: Students who progress to sitting the Learner’s Permit through Service SA will be required to pay for the test.

Pre-loaded Metro Card for public transport travel.
